

Parents and Guardians of D.C. Students;

You are invited to attend the Parent and Family Engagement Summit. You will receive information that will assist you to support your child's learning and academic and social development including:

- How the *District of Columbia's State Education Plan* will improve your child's school
- Extended learning opportunities
(21st CCLC, 23 programs that provide free extended learning opportunities for D.C. students)
- How to use the *State Education Agency Report Card*
- Expected social and academic outcomes of the *State Education Plan*
- Strategies and techniques to enhance learning at home and school
- Partnership opportunities with LEAs, OSSE, and other educational and social services agencies
